**REMARKS**

Claims 1-3, 5-9, 11-12, 14-22 and 28 are pending in the present application which is now on appeal. Entry of this amendment is requested for the following reason.

During development of the appeal brief, an antecedent problem was noted in claims 11 and 21, which was not noticed by the Examiner nor by the undersigned. Upon close review, it is apparent that claim 11 should be (and was intended to be) dependent upon claim 7 and that claim 21 should be (and was intended to be) dependent upon claim 20. This amendment makes those changes. Further, this amendment will place the claims in better form for appeal. Accordingly, entry of the above amendment is respectfully requested.

Respectfully submitted,

ROBERT E. JOHNSON
